

VPM's
Maharshi Parshuram College of Engineering
Department of Electrical Engineering

Industry-Institute Partnership Cell (IIPC)

The institute has come up with an Industry-Institute Partnership Cell (IIPC) sanctioned by the All Indian Council for Technical Education (AICTE) which acts as an interface between the industries and Institute to take up collaborative activities for mutual benefit. To strengthen the bond between industries and institute, it works for the following objectives.

1. To arrange industrial training for students and identify student project work in industries relevant to industry need.
2. Provide opportunities for the students for internships, live projects and to acquaint the students beforehand with the demands of the corporate atmosphere.
3. To arrange technical competition, personality development workshops.
4. Tie-ups or MoUs with Industries /Medical Hospital
5. To arrange need based training program in industries & Medical Hospital
6. Exploring Joint Research and Development Activities with industry & Medical Hospital
