“3D Studio Max” Workshop

Date 08/03/2016

Report on 3D Studio Max Workshop

Department of Civil Engineering organized Ten Days Workshop on “3D Studio Max”. It was successfully completed on 26th February to 7th March 2016.

Highlights of Workshop:-

- ✚ 36 students of our institute have participated, attended & successfully completed the workshop.
- ✚ Whole course of 10 days was scheduled without disturbing any academic session.
- ✚ Participated students had learned different commands, how to carry out mesh, surface modeling, efficiently create parametric and organic objects, use texture mapping, backing and layering, accelerate shading and material design.
- ✚ Students who are interested in the design field have definitely benefited by the workshop.

For successful completion of workshop Dr. Desai sir, Dr. Shilpa Kamat madam, HOD's of all Departments have supported us & guided us. All the faculties from civil department have taken lot of efforts to make the workshop successful.
