

Industrial Visit to ISRO Bangalore, 13th October 2017

A group of 42 students of Third year Electrical Department of this college visited ISRO, Bengaluru along with 3 of their teaching staff on 13th October 2017. The students were shown different activities of ISRO, Bengaluru, the “Clean room”, Remote sensing satellite manufacturing, besides some other locations of ISAC/ISRO. They undoubtedly felt proud of ISRO capabilities and contributions to Nation building. Guidance for career in ISRO was also given to students.
