

PCB Designing workshop At RSCOE Pedhambe College

Two faculties of Electrical Engineering department have conducted PCB designing workshop at RSCOE, Pedhambe on 22nd September 2017. From this workshop students get knowledge about PCB, its types various software used for PCB designing, PCB etching process etc. The workshop was conducted for third year and final year students. The students learn PCB designing in Proteus software along with development of LED blinking circuit using IC 555 timer. Mr. Satish Ghorpade & Mr. Yogesh Katdare worked as resource person.
