Report

Department of Electrical Engineering & IIC of VPM’s MPCOE have organized 1 workshop on ‘Entrepreneurship skill, attitude and behavior development’ on above date. It was for all college faculties, staff and students. Mrs. Deepali Kelkar (A well known writer, anchor, lecturer) was invited as a main resource person for this workshop.

Initially Sarasvati Pujan is carried out and then Principal Dr. Narendra Soni addressed the audience. After that Mrs. Deepali Kelkar took over the session. In entire session Mrs. Kelkar delivered excellent lecture in question answer and conversation mode. She explained the importance of good habits, how to improve our personal and social behavior, how we can improve our personality, what is the importance of harmony in our day to day life.

Entire session was very nice and fruitful.

Some Photographs are attached herewith.
