Department of Electrical Engineering

VPM’s Maharshi Parshuram College of Engineering, Velneshwar

29th March 2022

Report

Department of Electrical Engineering has organized a seminar on **“Report writing and Presentation”** on 29th March 2022 under EESA chapter. The seminar was for all second, third and final year students. Students get knowledge about how to write report in a proper way, particularly a project report. They also learn about power point presentation and how to make effective presentation.

The seminar was conducted by Ms. Minal Kokare. Total 30 students were present for the seminar.

Following are some photographs of the event.
