DEPARTMENT OF MECHANICAL ENGINEERING

Date: - 14/03/2019

Report of Industrial Visit to “Panipat Refinery and petro-chemicals limited”

Department of Mechanical Engineering organized 02 days Industrial Visit on 06th and 07th March 2019. The Visit was arranged for final year mechanical Engineering students. Total 34 students have taken part in the Industrial visit. The visit was at IOCL and ISRL panipat.

Students have gain knowledge of refinery and lubricating technology and their working on different processes. The few points from the visit are as follows
Indian Oil's seventh and the technically most advanced public sector refinery complex of India. It has a capacity to process a wide range of both indigenous and imported grades of crude oil. Setup with an initial installed capacity of 6.0 MMTPA.

New generation, high performance passenger car, heavy duty diesel engine and driveline lubricants for automotive sector. First ever multi-grade railroad lubricant for Indian Railways with proven credentials of fuel and oil savings.

Refining Technology

Lubricant Technology

Petrochemicals

Alternative Energy

From Department, HoD Mr. B.A Patil guided for the Industrial Visit to be successful.

Mr.Vinayak Hiremath and Mr.Rajnitru Rakshaskar companied the visit.
