DEPARTMENT OF MECHANICAL ENGINEERING

Date: - 28/02/2014

Report of Industrial Visit to “Rashtriya Chemicals & Fertilizers”

Industrial Visit to “Rashtriya Chemicals & Fertilizers”, Mumbai on 28th FEB, 2014” was organized for Mechanical Engineering Students on “Overview of Ammonia & Steam Generation process with plant visit”.

The program was designed for the practical knowledge of students through actual In-Plant visit. It helped participants to understand concept, methodology and working of Furnaces, boilers, compressors, turbines, etc.

It provided an opportunity for teachers as well as students to familiarize themselves with ammonia preparation & steam power generation.

Time spent with experienced and skilled industry people gave the participants knowledge regarding modern engineering practices including the latest technological advances adopted by industry keeping in view the national needs and relevant technologies.
