Desirable Qualities and Traits in an Ideal Teacher

An ideal teacher is one whom students remember and cherish forever. A Teacher has long-lasting impact on the lives of his students and the greatest teacher inspires students toward greatness. To be successful and popular, an ideal teacher must possess:

1. **An Engaging Personality and Teaching Style**

An ideal teacher is very engaging and holds the attention of students in all discussions.

2. **Clear Objectives for Lessons**

An ideal teacher establishes clear objectives for each lesson and works to meet those specific objectives during each lecture / laboratory.

3. **Effective Discipline Skills**

An ideal teacher has effective discipline skills and can promote positive behavior and decorum in the classroom / laboratory.

4. **Classroom Management Skills**

An ideal teacher has good classroom management skills and can ensure good student behavior, effective study and work habits, and an overall sense of respect in the classroom / laboratory.

5. **Effective Communication with Parents**

An ideal teacher maintains open communication with parents and keeps them informed of what is going on in the classroom / laboratory as far as curriculum, discipline, and other issues related to students are concerned. He / She communicates with parents through phone call, meetings, SMS and email.

6. **High Expectations**

An great teacher has high expectations from students and encourages everyone to always work at their best level.

7. **Knowledge of Curriculum and Standards**

An ideal teacher has thorough knowledge of the curriculum and other standards they must uphold in the classroom / laboratory. He / She ensures that his / her teaching meets those standards.

8. **Knowledge of Subject Matter**

This may seem obvious, but is sometimes overlooked. An ideal teacher has incredible knowledge of, and enthusiasm for, the subject matter being taught. He / She is prepared to answer questions and keep the material interesting for the students.

9. **Passion for Students and Teaching**

An ideal teacher is passionate about teaching and working with students. He / She is excited about influencing students' lives and understanding the impact he / she has on them.

10. **Strong Rapport with Students**

An ideal teacher develops a strong rapport with students and establishes trusting relationships.

Do you have these qualities and traits in you?

Vision

To be a leading, dynamic and responsive Centre of Excellence in Engineering and Technology on National stage, to generate, absorb, disseminate, protect and preserve knowledge by encouraging expansion of human knowledge to benefit mankind and drive regional, national and global, societal transformation through research integrated with education in a collegial, inter-disciplinary, inclusive atmosphere of spirit of inquiry and contribute thereby to the development of socially sensitive students and teachers, who can embrace state-of-the-art Information and Communication Technology and identify a holistic and integrated view of life as a fusion of mind, body and spirit, to be creative, ethical and exemplary members of a seamless, global society.

Mission

To position Maharshi Parshuram College of Engineering (MPCOE) as a Learning Organization and an important member of the knowledge society in a seamless world, where all stakeholders of MPCOE work with, listen to, and respect each other to function synergistically with a sense of excitement, enthusiasm and enterprise towards the holistic development of students and teachers who are encouraged to be honest, ethically rich, creative and responsible citizens.

Goals

1. To contribute to the development of teachers (facilitators) who can deliver state-of-the-art knowledge to students and develop mindsets and abilities to convert knowledge into skilled action and contribute to societal capital formation.
2. To provide state-of-the-art facilities to teachers and students with a view to develop holistic personalities driven by fundamental values of life - mutual respect, collegial attitude, creative and cognitive thinking, self directed learning, spirit of enquiry, environmental stewardship, transparency, diversity of ideas, academic freedom, respect for democratic values and dignity of individual.
3. To develop industry academia partnership which can help to identify ways and means of establishing linkages to mutual advantage of education and industry through educational and training programs, case studies, consultancy services, students projects' and summer and final placements et al.
4. To develop linkages with various stakeholders of the Konkan region and Maharashtra state which can facilitate the making of MPCOE as a hub for various education and education related activities for empowering and enriching the fraternity of the Konkan region and society at large.
5. To guide and mentor student pursuing higher education and encourage the student population in favor of higher, value added, educational products and services in Engineering, Management and other related disciplines
6. To counsel students to make appropriate choices of career paths and courses based upon their competencies, demand for certain kinds of special skills and value added qualification/s.
7. To emerge as a full-fledged, duly accredited, centre for excellence which will be a highly interactive learning organization interface industry, business and trade for imparting practical knowledge at all levels and contribute to the process of national and global development.
