ABOUT VPMPCOE

VPM Thane has started a state of art engineering collage namely Maharshi Parshuram College of Engineering, Velneshwar. The college is spread on the shore of an Arabian sea. The college is affiliated to University of Mumbai and is recognized by AICTE, New Delhi & DTE. It offers degree courses in Mechanical, Electrical, Computer, Instrumentation, Civil & EXTC Engineering.

OBJECTIVE OF WORKSHOP

"PCB DESIGNING & SOLDERING"

The aim of this workshop is to make the students learn the designing and manufacturing of a printed circuit board using open source EAGLE PCB design software and with various active and passive components such as Regulators, Diodes, Resistors, Capacitors, Inductors, Switches, e.t.c.

"3D STUDIO MAX"

Introduce students to modern design techniques (3D Studio MAX).
Student will know how to carry out mesh and surface modeling; efficiently create parametric and organic objects; use texture mapping, baking, and layering; accelerate shading and material design.

MEMORANDUM OF UNDERSTANDING

BETWEEN

A-TECH CONSULTANCY, Kolhapur AND VPM's Maharshi Parshuram College of Engineering, Velneshver

This Memorandum of Understanding (MOU) is entered between Mr. P.L. Shinde CEO (A-Tech Consultancy, Kolhapur) a company incorporated under the Indian Companies Act, 1956 having its registered office, and represented by its undersigned of the ONE PART; And **VPM's Maharshi Parshuram College of Engineering, Velneshver**, represented by undersigned of the OTHER PART;

Whereas Mr. P. L. Shinde CEO (A-Tech Consultancy, Kolhapur) and **VPM's Maharshi Parshuram College of Engineering, Velneshver** shall be here in after jointly referred to as the "Parties" and singularly as a "Party".

The Parties has decided to agree to establish industry-academic collaboration in areas of mutual interest and in accordance with terms and conditions set forth in this Memorandum of Understanding (MOU) Mr. P. L. Shinde CEO (A-Tech Consultancy, Kolhapur) and **VPM's Maharshi Parshuram College of Engineering, Velneshver** agrees on following activities:

1. Mr. P. L. Shinde CEO (A-Tech Consultancy, Kolhapur) will provide support for designing the course curriculum in desired and required subject at **VPM's Maharshi Parshuram College of Engineering, Velneshver** which would be relevant for industry.
2. Senior officials from Mr. P. L. Shinde CEO (A-Tech Consultancy, Kolhapur) will share their knowledge and experience by way of taking sessions, participating in seminars and other academic activities of **VPM's Maharshi Parshuram College of Engineering, Velneshver**
3. Mr. P. L. Shinde CEO (A-Tech Consultancy, Kolhapur) will offer summer internship to interested students of **VPM's Maharshi Parshuram College of Engineering, Velneshver**, at its offices / project-locations so that the students get hands on experience of live projects. The number of students, who can be considered for internship, would be as mutually decided between Mr. P. L. Shinde CEO (A-Tech Consultancy, Kolhapur) and **VPM's Maharshi Parshuram College of Engineering, Velneshver**

4. Mr. P. L. Shinde CEO (A-Tech Consultancy, Kolhapur) will arrange to provide periodic field visits to faculty and students of VPM's **Maharshi Parshuram College of Engineering, Velneshver** at its project sites to enable them to get practical exposure and learning from interaction with members of Mr. P. L. Shinde CEO (A-Tech Consultancy, Kolhapur) project-teams.
5. Depending on requirement, Mr. P.N. Shinde CEO (A-Tech Consultancy, Kolhapur) may offer specific projects with identified deliverables to be executed by VPM's **Maharshi Parshuram College of Engineering, Velneshver** Detail modalities including financials would be mutually worked out for each project/assignment.
6. Based its requirements, Mr. P. L. Shinde CEO (A-Tech Consultancy, Kolhapur) may participate in campus placements; when it does so, Mr. P.L. Shinde CEO (A-Tech Consultancy, Kolhapur) will be given priority status like invitation for zero-day placement etc.
7. Each Party shall appoint one nodal officer to periodically review and identify ways to strengthen Co-operation between them.
8. Course fees : - 3000/-
Admission fees: -
Tuition fees: -
9. Duration of the course is ten days.

This MOU will take effect from the date it is signed by representatives of the parties. It will remain valid for 05 years, and may be continued thereafter suitable review and agreement. Either party may terminate the MOU by giving written notice to the other party 01 Month in advance. Once terminated, neither Mr. P. L. Shinde CEO (A-Tech Consultancy, Kolhapur) nor **VPM's Maharshi Parshuram College of Engineering, Velneshver** will ensure that all activates in progress are allowed to be completed successfully.

This MOU is signed subject to approval of the respective academic / administrative bodies.

Workshop on 3D Studio MAX

Objective: Introduce students to modern design techniques (3D Studio MAX).

Student will know how to carry out mesh and surface modeling; efficiently create parametric and organic objects; use texture mapping, baking, and layering; accelerate shading and material design.

Scheduled Date: 26th February, 2016 – 6th March

Venue: VPM's MPCOE Campus.

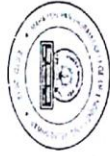

Fee:- 3000 /student.

Benefits to the students: 3d Studio Max software delivers efficient new tools, accelerated performance to increase overall efficiency, productivity for designers. After successful completion of civil 3d Studio Max Workshop student will able to have command on this software which will help them in designing complete, high resolution Assets.

Department of Civil Engineering "3D Studio Max" Workshop

Report on 3D Studio Max Workshop

Date 08/03/2016

Department of Civil Engineering organized Ten Days Workshop on "3D Studio Max". It was successfully completed on 26th February to 7th March 2016.

Highlights of Workshop:-

- ↓ 36 students of our institute have participated, attended & successfully completed the workshop.
- ↓ Whole course of 10 days was scheduled without disturbing any academic session.
- ↓ Participated students had learned different commands, how to carry out mesh, surface modeling, efficiently create parametric and organic objects, use texture mapping, backing and layering, accelerate shading and material design.
- ↓ Students who are interested in the design field have definitely benefited by the workshop.

For successful completion of workshop Dr. Desai sir, Dr. Shilpa Kamat madam, HOD's of all Departments have supported us & guided us. All the faculties from civil department have taken lot of efforts to make the workshop successful.

5. Two Days STTP on Oil & Natural Gas Sector (16th July 2015 to 17th July 2015) – Mechanical Department

Department Of Mechanical Engineering organized STTP (Short term training programme) on “Introduction to Oil/gas sector & role of engineers” on **15th/16th July 2015**. The STTP was arranged by dept. in joint venture with MPCOE & SIT, Mumbai. The Lecture was delivered by Mr. Vasant Mestry (Managing Director) of Suvidya Institute of Technology, Mumbai on both days.

Contents that were discussed during these 02 days STTP are as follows.

- ✓ Introduction to OIL & Gas and Power Sector & Role of Engineers.
- ✓ Basics of Upstream industry which includes exploration and production of Crude oil and Natural Gas (Offshore & Onshore).
- ✓ Basis of Midstream Industry which includes Storage of Crude oil/Gas and Transportation.
- ✓ Basics of Downstream Industry which includes refinery and the various products.
- ✓ Role of engineers at various levels in Upstream, Midstream, and Downstream industry and of each discipline like Mechanical, Chemical, etc.
- ✓ Departments of EPC companies and their responsibilities and deliverables.
- ✓ Working culture of EPC companies.
- ✓ Various phases in the Plant life.
- ✓ Role of engineers in the various departments of the EPC companies. Companies available globally.

For the Event **total 55 students of Final year were enrolled**. They received good knowledge. On The first day MoU was signed between two institutes for knowledge sharing and technical upgradtions. The 02 days session was more conservative type. With humorous question answer session it ended on 16 July 2015.

Attendance & Feedback

Academic Year: 2025-26

Name of the programme/event: 02 days STTP on "Intro to oil & Nat. Gas"

Date of programme/event: 15th - 16th July 2025

Objective of the programme: To aware students about Piping Industry & role of pumps & valves in structures.

Department Name: Mechanical Engineering

Feedback of the programme:

- The hands-on practical training sessions were very good
- The course was very relevant to the subject taught and will help them in most aspects of Academic and career
- Objectives were clearly stated from the start. Student gained a greater knowledge on the usage of equipment and its applications.
- The Power Point presentation was very good as the slides were to the point.
- The trainer got the learning message across by breaking everything down into simplified sections. He gave a broad range of examination criteria and had a very good knowledge of the standards.
- A very good mixture of theoretical and practical training.
- The training was very informative and practical.
- The trainer was very experienced and was able to answer all of our queries.
- The syllabus was excellently delivered. All aspects were clearly explained and in context
- Students have picked up a lot of factual information regarding the programme conducted.

7. Training programme on Software “CATIA –V5” (8th October 2015 to 9th October 2015) – Mechanical Department

Department of Mechanical Engineering organized training programme on **08th & 09th October 2015**. The training was arranged for Final year Mechanical students only. The resource person from TATA Technologies, Mr. Mahesh Botre guided the students for 02 consecutive days. The

Points that were covered during training are as follows.

- Origin of CATIA.
- Development of Software.
- Actual tools and different operations of those tools.
- Applications of CATIA-V5.
- Hands on Experience on actual software.

Vidya Prasarak Mandal's
Maharshi Parshuram College of Engineering, Velneswar

Attendance & Feedback

Academic Year: 2015-16

Name of the programme/event: 02 day training programme on 'catia-V5'

Date of programme/event: 8th october 2015

Objective of the programme: To get knowhow industrial orientation towards catia-V5 software

Department Name: Mechanical Engineering

Feedback of the programme:

- The hands-on practical training sessions were very good
- The course was very relevant to the subject taught and will help them in most aspects of Academic and career
- Objectives were clearly stated from the start. Student gained a greater knowledge on the usage of equipment and its applications.
- The Power Point presentation was very good as the slides were to the point.
- The trainer got the learning message across by breaking everything down into simplified sections. He gave a broad range of examination criteria and had a very good knowledge of the standards.
- very good mixture of theoretical and practical training.
- The training was very informative and practical.
- The trainer was very experienced and was able to answer all of our queries.
- The syllabus was excellently delivered. All aspects were clearly explained and in context
- Students have picked up a lot of factual information regarding the programme conducted.
