

# Sample of Internal Assessment Time Table

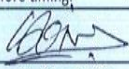

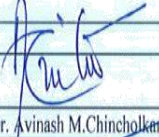

VPM'S Maharshi Parshuram College of Engineering, Velneswar.		
FIRST YEAR ENGINEERING, INTERNAL ASSESSMENT -I TIME-TABLE		
Semester: II		First Half of 2019
Date / Day	Time	
14/02/2019 (Thursday)	10:00am to 11:00am.	Applied Mathematics- II
	03:00 pm to 04:00pm.	Applied Physics-II
15/02/2019 (Friday)	10:00am to 11:00am.	Structured Programming Approach
	03:00 pm to 04:00pm.	Applied Chemistry-II
16/02/2019 (Saturday)	10:00am to 11:30am.	Engineering Drawing
Note: 1) All the students should have ID cards with them.		
2) All the students should be there in the examination hall 15 minutes before timing.		
for 		
Mr. Avinash Pawar	Mr. Ganesh Dive	Dr. Avinash M. Chincholkar
<b>Internal Exam Coordinator</b>	<b>Exam Cell Incharge</b>	<b>Principal</b>

VPM'S Maharshi Parshuram College of Engineering, Velneswar.						
SECOND YEAR ENGINEERING, INTERNAL ASSESSMENT -I TIME-TABLE						
Semester: IV		First Half of 2019				
Date / Day	Time	ELECTRICAL	CIVIL	EXTC	INSTRU	MECHANICAL
14/02/2019 (Thursday)	10:00am to 11:00am.	Applied Mathematics IV	Surveying II	Electronic Devices & Circuits - II	Transducers-II	Industrial Electronics
	03:00 pm to 04:00pm.	Power System I	Applied Mathematics IV	Linear Integrated Circuits	Feedback Control System	Fluid Mechanics
15/02/2019 (Friday)	10:00am to 11:00am.	Electrical Machines – II	Structural Analysis # I	Applied Mathematics-IV	Analytical Instrumentation	Production Process II
	03:00 pm to 04:00pm.	Electromagnetic Field and wave Theory	Building Design & Drawing (03:00 pm to 04:30pm)	Signals & Systems	Applied Mathematics-IV	Kinematics of Machinery
16/02/2019 (Saturday)	10:00am to 11:00am.	Analog and Digital Integrated Circuits	Building Material and Constraction Technology	Principles of Communication Engineering	Signal Conditioning & Circuit Design	Applied Mathematics-IV
	03:00 pm to 04:00pm.	Electrical Network	Fluid Mechanics II			
Note: 1) All the students should have ID cards with them.						
2) All the students should be there in the examination hall 15 minutes before timing.

THIRD YEAR ENGINEERING, INTERNAL ASSESSMENT -I TIME-TABLE						
Semester: VI		First Half of 2019				
Date / Day	Time	ELECTRICAL	CIVIL	EXTC	INSTRU	MECHANICAL
14/02/2019 (Thursday)	10:00am to 11:00am.	Protection and Switchgear Engineering	Geotechnical Engineering II	Microcontroller & Applications	Process Instrumentation System	Metrology and Quality engineering
	03:00 pm to 04:00pm.	Electrical Machines - IV	Design & Drawing of Steel Structure	Computer Communication Networks	Industrial Data Communication	Machine Design I
15/02/2019 (Friday)	10:00am to 11:00am.	Signal processing	Tranportation Engineering II	Antenna & Radio Wave Propagation	Electrical Machines & Drives	Finite Element analysis
	03:00 pm to 04:00pm.	Microcontroller and its Applications	Water Resourses Engineering I	Image Processing & Machine Vision	Digital Signal Processing	Refrigeration and Air Conditioning
16/02/2019 (Saturday)	10:00am to 11:00am.	Control System-II	Ground Improvement Techniques (Elective)	Digital VLSI Design (Elective)	Advanced Control System	Mechatronics (elective)
	03:00 pm to 04:00pm.	Advanced Power Electronics (Elective)			Nuclear Instrumentation	
Note: 1) All the students should have ID cards with them.						
2) All the students should be there in the examination hall 15 minutes before timing.

**VPM'S Maharshi Parshuram College of Engineering, Velneswar.**

**FINAL YEAR ENGINEERING, INTERNAL ASSESSMENT -I TIME-TABLE**

Semester: VIII		First Half of 2019					
Date / Day	Time	COMPUTER	ELECTRICAL	CIVIL	EXTC	INSTRU	MECHANICAL
14/02/2019 (Thursday)	10:00am to 11:00am.	Data Warehouse and Mining	Design, Management and Auditing of Electrical Systems	Design and Drawing of Reinforced Concrete Structure	Wireless Networks	Digital Control System	Design of Mechanical Systems
	03:00 pm to 04:00pm.	Human Machine Interaction	Drives and Control	Consturction Engineering	Satellite Communication & Networks	Instrumentation Project Documentation & Execution	Industrial Engineering and Management
15/02/2019 (Friday)	10:00am to 11:00am.	Parallel and Distributed Systems	Power System Planning and Reliability	Construction Management	Internet and Voice Communication	Instrument & system design	Refrigeration and Air Conditioning
	03:00 pm to 04:00pm.	Big Data Analytics (Elective-III)	Flexible AC Transmission Systems (Elective-II)	Industrial Waste Treatment (Elective II)	Telecom Network Management (Elective)	Power Plant Instrumentation (Elective )	Renewable Energy Systems / BPR (Elective )
Note: 1) All the students should have ID cards with them.							
2) All the students should be there in the examination hall 15 minutes before timing.
