As regards to foreign journals we will procure from the publishers directly to our address and supply to you by Regd/Speed post.

Kindly note that for the # marked journal titles we have quoted as per 2015 price list of the publishers. Please note that 2016 rates are not readily available. You can always envisage an increase of 12 to 15% increase in price for the purpose of budgetary sanction. All our rates are subject to publishers confirmation, as they often change their rates over which we have no control. Our rates are based on the current known rates and therefore final settlement depends entirely on publishers acceptance for any difference. Supplementary invoice will be submitted along with documentary proofs for immediate payment. You will have to pay the supplementary Invoice payment within 2/3 weeks.

For online connectivity, publishers need your E-mail id, IP Code, Fax/Phone Nos. details of Contact person. We have to mention the same in our subscription orders. These basic information are pre-requisite to ensure e-journal access by your college. Kindly note publishers would not refund in case of delay or the e-access was not obtained. Hence, kindly treat it as most urgent and provide the desired information without any further delay.

Kindly note that online access are provided directly by the publisher. If you face any difficulties in getting the access, kindly inform us immediately. We will take up the matter with the publishers concerned and see that you get the access without any interruption.
