## Session Feedback Form

Dear students,

Apart from imparting curriculum related knowledge to you, we are also trying to enrich you with advanced information and skills through experts who have spent years in laboratories in designing, developing and executing state-of-the-art tools, devices and instruments. We are confident that sessions by these experts will be useful for you. Ultimate objective of the whole learning is to understand the concepts better and be able to apply them in solving problems or in developing products that will solve the problems.

We will appreciate your constructive, honest and positive feedback about these sessions so that we can further improve their quality and make them more useful for next batch of students. Kindly provide your feedback in the format given below. **Indicate your response by circling the number against each parameter / question. Dear Students,

Greetings from VPM, Thane & me personally!

At the outset, let me congratulate you all on your Grand Success in your final exams with flying colors.

We are proud of you that you have brought laurels to MPCOE with your excellent performance in your Final year.

I am sure, now you must be preparing for your placements in industry and doing your best to achieve more in the race.

Just to help in your efforts, VPM have arranged a mock interview session for you all on 7th October at 10.30 am at the following address:

VPM's Dr. V N Bedekar Institute of Management Studies, 'Jnanadweepa', Chendani Bunder Road, Thane (West) (Management College building)

The venue is just 10 minutes walk from Thane Station. Your names would be informed to the security at the main gate.

I am glad that most of you have registered for Mock Interview which would help you in fine tuning your skills and make you fully prepared for final round in Corporate.

If any body is left out, may please register now as it would be a golden opportunity to prepare yourself for better future. You are most welcome at VPM, Thane.

All are requested to report to Mrs. Deepti Gokhale on 2nd floor at the address given above.

The program schedule is as under:

**Bridge Course:**

Date 18/07/2017

**Bridge Course for First Year Students**

The Bridge Course is aimed to act as a buffer for the new entrants, with an objective to provide adequate time for the transition to hardcore engineering courses. Students will be groomed for the foundation subjects of engineering, this gives them a breather, to prepare themselves before courses for first year engineering commence. During this interaction of a week the students will be equipped with the knowledge and the confidence needed to take on bigger challenges as future engineers. Thus all the faculties and students of first year are informed that following time-table for Bridge course will be followed from 24/07/2017 to 28/07/2017. (Classroom A1FC06)

Dear Students,

We are planning to conduct extra classes to guide for Semester-I university examinations.

Those who need extra guidance and are interested to attend these free coaching sessions should mark their interest for the specific subject(s) in the attached sheet.

These sessions will be conducted mostly on Saturdays.

Your suggestions are welcome.

*Audumbar Patkar*  
 Mr. Audumbar Patkar

## Bridge Course for First Year Students

The Bridge Course is aimed to act as a buffer for the new entrants, with an objective to provide adequate time for the transition to hardcore engineering courses. Students will be groomed for the foundation subjects of engineering, this gives them a breather, to prepare themselves before courses for first year engineering commence. During this interaction of a week the students will be equipped with the knowledge and the confidence needed to take on bigger challenges as future engineers. Thus all the faculties and students of **first year** are informed that following time-table for **Bridge course** will be followed from **24/07/2017 to 28/07/2017**. (classroom A1FC06)

## **Special Study Hours**

Dear First Year Students,

You are informed that, special study hours during preparation leave (P.L.) have been arranged. The special study hours are arranged for those students who find it difficult to cope up with the studies on their own. These sessions will help you to gain confidence, clarify doubts, revise important concepts, solving University question papers and for practicing. This is an opportunity for the students to ensure that they go to Second year without ATKT pressure. Students who are serious about their performance and who really want to succeed in the current semester are informed to remain present.

We will conduct these sessions on regular basis from **09.15 a.m. to 04:15 p.m.** till 10<sup>th</sup> May 2018 as per the time table in class room A1FC06.

- **Attendance will be monitored and hall ticket will not be issued to low attendance students.**
- **Please make use of special study hours and succeed in the final examination.**
