Activities for B.E Students

Negotiation Skills and Team building training activity was conducted in August. Program was conducted by Guest speakers Dr. Bedi and Dr. Joshi, VPM Thane for B.E students.

Program highlights are

- Understanding the interests, priorities, and goals of all parties
- Maximizing opportunity through pre-negotiation preparation
- Knowing how personal biases and cultural differences impact negotiations
- Dealing with irrational people and challenging relationships
- Improving communication by listening and asking questions
- Making offers at the right time and in the right way
- Transforming competition into cooperation—and opponents into partners
- Managing teams of negotiators more effectively
- Recognizing when to walk away from the table

Session Feedback Form

Dear students,

Apart from imparting curriculum related knowledge to you, we are also trying to enrich you with advanced information and skills through experts who have spent years in laboratories in designing, developing and executing state-of-the-art tools, devices and instruments. We are confident that sessions by these experts will be useful for you. Ultimate objective of the whole learning is to understand the concepts better and be able to apply them in solving problems or in developing products that will solve the problems.

We will appreciate your constructive, honest and positive feedback about these sessions so that we can further improve their quality and make them more useful for next batch of students. Kindly provide your feedback in the format given below. **Indicate your response by circling the number against each parameter / question. Also feel free to express your opinion, wherever applicable.**
