Dear All,

Seasons' Greetings from Dr. Chincholkar !!!

You are aware that during the year 2017 some of our colleagues got Doctorate, PG, SET, and other notable achievements. Some got married and some others have become happier due to other reasons.

All of us could not participate in the wedding of those who got married and all of us could not felicitate every achiever individually.

MPCOE recognizes and appreciates their achievement, particularly the academic achievements, and would like to felicitate the achievers. At the same time we would like to celebrate the happiness of those who got married and others who became happier in their lives in other ways.

It has not been possible to organize the felicitation program so far because the last wedding of 2017 took place on 31 December and therefore we have been occupied in ARENA and SAPTAK. We did not get a convenient day till now.

Therefore, We have planned a felicitation program on 26 January (the only convenient day), after the Flag Hoisting function, in the Cafeteria of Nana Fadnavis hall (ground floor).

I want to finalize suitable memento for the achievers and gift for "just married" couples. In this regard, those who want to contribute **voluntarily** (minimum Rs.100) towards the purchase of memento and gifts, are invited to do so. From the total collection we will make suitable purchase.

**Please handover your contribution to respective department / section Head on or before 17 January 2018. Head of Department / Section will prepare a list of contributors, and the amount, and submit the same to Mr. Siddhesh Ghag before 4 pm of 17 January 2018.**

Alongwith the list of contributors, the respective Head has to also recommend (by writing the name below the list of contributors) a worthy staff of department who has contributed selflessly for the department or institute during 2017. This staff should have done something special out of his / her daily routine. There could be more than one recommendation from a department but the recommended names should be justified and unbiased, and there should not be any objection from any other staff / faculty of the department.

If you think that 26 January is not a convenient day, and there is any other convenient or suitable day for felicitation program then kindly mention it in your list of contributors without any hesitation.
